

# LECTURE 01

Machine Learning (CSCI 5525)

September 3, 2019

# GENERAL INFORMATION

# LOGISTICS

- **Course:** CSCI 5525, Fall 2019
- **Location:** Mechanical Engineering 108
- **Time:** Tuesdays and Thursdays, 11:15 AM–12:30 PM
- **Course webpage:**  
<https://zstevenwu.com/courses/f19/csci5525/>

# INSTRUCTOR

- Steven Wu
- Webpage: <https://zstevenwu.com>

# TEACHING ASSISTANTS:

- Arun Kumar
- Xinyi Wang

# PRE-REQUISITE

- Ideally you will have completed - CSCI 5521 or - equivalently other introduction to machine learning courses.
- You should also have - undergraduate level training or coursework in linear algebra, multivariate calculus, and basic probability and statistics, and - programming skills with Python.

# OFFICE HOURS

- Steven Wu: Keller Hall 6-225E
- Monday 9:00 - 10:00am
